THE EASINGWOLD AND VILLAGES COMMUNITY PLAN

A ROUGH GUIDE TO THE COMMUNITY PLAN

What is a Community Plan?

- A Plan produced by the Local people for their area.
- Identifies community needs.
- Identifies priorities for action.
- Identifies solutions for community needs.
- Plans for next ten years.

What will the Plan cover?

- Economic matters.
- Social matters.
- Community matters.
- Environmental matters.

Why is it important?

- Enables communities to articulate needs and concerns.
- Potential to access funding opportunities.
- Provides local input into the Community Strategy for Hambleton District.

Appendix 2

- Potential for influencing wider service provision.
- Provides a long term vision for the area.

Who should be involved?

- The community needs to organise itself, into a partnership, or steering group to develop the Plan.
- The development of the Plan needs to include representatives from all sectors of the community including hard to reach groups.

What support is available?

- Some funding will be available to communities to develop their Plan from various sources.
- Support will be available through Hambleton District Council to initiate the process. Facilitators can be provided.

What type of initiatives could receive funding?

- Community Economic Development broadly means anything that will assist people gaining employment, so it could, for example, include the following:
  - Training provision.
  - Childcare provision.
  - Transport initiatives.
