

NORTHALLERTON AND VILLAGES COMMUNITY PLAN CONSULTATION

The Northallerton and Villages Community Plan has been prepared by a voluntary steering group as a vehicle to bid for monies from a variety of funding sources in the area. The plan will also be used to influence existing budget spend at a more strategic level through the Hambleton Community Plan. It is very important that you tell us what you think about the Plan. Once you have had an opportunity to read the Plan, please pull out and complete this proforma, with any comments you have about the Plan and return it to the address shown overleaf.

1. Is the Plan clear and easy to understand?
2. Do you have any comments on the overall aim of the Plan?
3. Do you agree with the actions? Has anything been missed – should anything be omitted / amended?
4. Do you agree with the priorities? Has anything been missed – should any of the priorities be changed?

5. Do you have any general comments about the Plan?
