

ParkCard

ParkCard discount cards offer regular users of Hambleton District Council's off street car parks savings on the costs of parking. The cards buy parking tickets to be displayed on the dashboard in the vehicle's front windscreen. The ParkCard does not need to be displayed in the vehicle. The ParkCards apply only for daytime charging – they do not apply for HGV overnight parking tickets.

Long Stay ParkCard – £50 worth of tickets for £40

The long stay card can be used at all pay and display machines in the following car parks:

- Bridge St, Bedale
- Auction Mart, Bedale
- Applegarth Long Stay, Northallerton
- Crosby Rd, Northallerton
- Millgate, Thirsk
- Nursery, Thirsk
- Showfield, Stokesley

The £40 card buys £50 worth of long stay tickets at the pay and display machines. The value on the card decreases as it is being used with the remaining value on the card shown on the pay and display machine screen prior to ticket purchase.

There is no expiry period on the card and no limit to the number of tickets you may purchase. Should the card not cover the full cost of the final ticket the remaining value can be made up by inserting coins.

The short stay card can be used at all pay and display machines in the following car parks:

- Applegarth Short Stay, Northallerton
- Hambleton Forum, Northallerton

The short stay card offers savings over a 12 month period. At a cost of £40 the card is valid once a day for one ticket for the maximum period allowed in any of the short stay car parks. The 12 month validity period starts on first use at one of the short stay pay and display machines. There is an area at the back of the card for you to note the start date.
