Dear Mr Campbell,

Examination of Hambleton Local Plan and the revised National Planning Policy Framework

You will be aware that the Government published a revised National Planning Policy Framework (the Framework) on 20 July 2021. There are no transitional arrangements for Local Plans submitted after 24 January 2019 and one of the tests of soundness in paragraph 35 of the Framework is consistency with national policy.

We would be grateful if the Council could consider whether the new Framework has any implications for the soundness of the Hambleton Local Plan and, if it does, how that might be resolved.

Yours sincerely,

Matthew Birkinshaw and Steven Lee
