

Northallerton Medieval Market

29 - 30
October
Northallerton Town Square

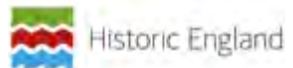

Come and experience the sights, sounds and smells of Northallerton's market as it might have looked in Medieval England between 1066 and 1307.

Working in partnership with Historic England and reenactment specialists the Conquest Living History Society, Hambleton District Council is bringing an authentic high medieval market right to the heart of North Yorkshire.

This free 2 day event will bring a medieval market to life - you will have the opportunity to talk to (and sample the produce from) medieval market traders including a baker, a pie stall, a surgeon, and a fletcher and bowyer with authentic medieval music providing a truly immersive experience.
